Martensville Buster Days

Martensville Buster Days has been an integral event in the community since 1985, marking this 2025 event as its 40th anniversary celebration! Buster Days began as a small town get together with a ball tournament and has turned into a fun-filled weekend event celebrating everything that Martensville knows and loves.

Although it's up in the air where the name 'Buster Days' originates from, the legend has it that one year the event was a 'bust' and the name stuck moving forward!

Buster Days happens in June every year in the City of Martensville. Activities include a large slo-pitch tournament, beer gardens, inflatables, petting zoos, a parade, a pancake breakfast, and so much more! This year, the Martensville Firefighter's Association is honored to host the FireFit Regional Championships in conjunction with Buster Days, where the course will be in the heart of the action in the Martensville Athletic Pavilion parking lot, centralized to the pancake breakfast, ball diamonds and events at the MAP.
